GENERAL CLEANING STAFF

Our staff are trained on our premises in our training facility, at their placement site, and are all Police Cleared, can have White Card, Working with Children, MSIC, and if our client requires any other clearance or qualification, these are completed to comply with all site requirements. ALLCLEAN Property Services Plus is a privately owned Western Australian Contract Cleaning Company and is run by its principal owner and Managing Director Tony Russell with his wife Rhonda. Founded in 1973 by Tony's mother and father , we now employ 100's of part time and scores of fulltime staff, providing quality contract cleaning solutions
